

# Deutsch 1-2

Name: \_\_\_\_\_

*Willkommen in Deutschunterricht!  
I am so excited to teach you  
German this year!*

*Research shows that the more  
you listen to and read German,  
the better you get at speaking and  
writing it.*

*So my goal is to provide you with  
as much "Comprehensible Input"  
as possible this year through  
stories, movietalks, music and  
more.*

*In order for you to fully benefit  
from these opportunities, please  
carefully read and comply with the  
policies on this page.*

### Tardy Policy

Tardies to class will result in a disciplinary referral per the schedule outlined in the student handbook.

Email is the best way to reach me!

Speak as much German as possible! Goal is German 75% of time in class!

### No Cellphones

Any cell phones out during class will go to the "Handy Gefängnis" and returned to the student at the end of the period. Further offenses will result in a referral.
